DECLARATION UNDER 37 CFR §1.47(a)

Sir or Madam:

I Philip R. Warn hereby declare that:

(1) One of the above referenced inventors, Ronald L. Steen, was formerly an employee of Schefenacker Vision Systems USA.

(2) During the course of his employment, Ronald L. Steen was under an obligation to assign all inventions made during his employment to Schefenacker Vision Systems USA; this obligation includes the invention described in the application entitled "WHITE LED HEADLIGHT" which was made during the course of Mr. Steen's employment.

(3) Mr. Steen has since left Schefenacker Vision Systems USA.

(4) I have attempted to procure Mr. Steen's signature on the Oath or Declaration and have been unable to do so.

(5) The first attempt was made on August 23, 2005 where I mailed a copy of the Application papers (specification including claims, drawings, and Oath or Declaration) to Mr. Steen at his former address of 7828 Brookpines Drive, Clarkston, MI 48348.

(6) On October 28, 2005 I sent a second letter via certified mail to Mr. Steen requesting that he again sign the papers and send them back to us. Another copy of the Application papers (specification including claims, drawings, and Oath or Declaration) was included with this follow-up letter. The certified mail postcard came back indicating that Mr. Steen had moved and that the Application papers (specification including claims, drawings, and Oath or Declaration) was forwarded on to his new address at 596 Oxford Lane, Lindenhurst, IL 60046. (See **Tab A** - copy of original letter sent, and follow up letter with return receipt postcard)

(7) The return receipt postcard indicated that the Application papers (specification including claims, drawings, and Oath or Declaration) had been delivered to Mr. Steen at his new address since it was signed as being received.

(8) On November 30, 2005 a third letter was sent, this one also via certified mail to Mr. Steen requesting that he again sign the papers and send them back to us. Once again we received receipt via the return receipt postcard that the letter had been delivered to Mr. Steen's address on December 5, 2005. (See **Tab A** - copy of letter sent and return receipt)

(9) In addition, I attempted to do an internet search (See **Tab B**) to try and locate a telephone number for Mr. Steen so that I could personally contact him. The internet search revealed that there is no listed number for Mr. Steen.

(10) Based upon the above facts it appears that Mr. Steen is unwilling to sign the Oath or Declaration.

I hereby declare that all statements made herein are of my own knowledge, are true, and that all statements on information and believe are believed to be true; and further, that these statements were made with the knowledge that willful false statements and like so made are punishable by fine or imprisonment, or both, under § 1001 of title 18 of the United States Code and as such willful false statements may jeopardize the validity of the application or any patent issued thereon.
